PROJECT: Modular Office Complex
Arlington National Cemetery

This project will have an effect on historic resources. Based on the information provided, the effect will not be adverse. **(SEE CONDITION IN COMMENTS BELOW)**

This project will have an adverse effect on historic properties. Further consultation with DHR is needed under Section 106 of the NHPA.

Additional information is needed before we will be able to determine the effect of the project on historic resources. **Please see below.**

No further identification efforts are warranted. No historic properties will be affected by the project. Should unidentified historic properties be discovered during implementation of the project, please notify DHR.

We have previously reviewed this project. Attached is a copy of our correspondence.

COMMENTS: **The ANC wants to retain the modular office complex for an additional seven (7) years for use as administrative space during construction of the Southern Expansion project. The DHR, ANC, and Air Force District of Washington concluded a PA for the Southern Expansion project in November 2019. The PA expires after five (5) years, that is, in November 2024, which is nearly two years before the anticipated**

removal of the modular office complex. The DHR concurs with No Adverse Effect, however, we do so on the condition that if the Southern Expansion PA expires while the modular office complex is still in use, the ANC will consult with DHR and the Air Force District of Washington to extend the duration of the PA and to include specific language regarding removal of the modular office complex.
