Arlington National Cemetery (ANC) plans to retain two spotlights installed during the summer of 2020 to illuminate the historic flagpole, which stands at the east front of Arlington House.

ANC invites review and comment from the public on this action. We do this in accordance with Section 106 of the National Historic Preservation Act and The Programmatic Agreement among Arlington National Cemetery, The Virginia State Historic Preservation Officer, and the Advisory Council on Historic Preservation for the Operation, Maintenance, and Repair Activities at Arlington National Cemetery.

The document “Arlington House Flagpole Illumination, Arlington National Cemetery Arlington, Virginia, Project Description, Area of Potential Effects, And Assessment of Effects” accompanies this notice. It describes the undertaking, shows the area affected by the project, contains annotated photographs of the area, and lists the historic properties contributing to National Register of Historic Places Historic Districts which are in the area of potential effects.

ANC’s Cultural Resource Manager assessed the effects of the proposed undertaking using the criteria of adverse effects (36 C.F.R. 800.5(a)(1)) and determined the project will have No Adverse Effect on the characteristics which qualify Arlington National Cemetery, Robert E. Lee Memorial, and Memorial Bridge and related Avenue for listing in the National Register of Historic Place.

Please send your comments to Cultural Resources Manager at usarmy.pentagon.hqda-anc-osa.mbx.cultural-resources@mail.mil and include “Flagpole Illumination” in the subject line. Comment are due no later than February 5, 2021.
